Mr. Malinovsky

We would like to dedicate this section of the Fram to Victor S. Malinovsky who was with us fourteen years, last year being assistant principal and director of athletics. He graduated from Ohio Wesleyan University and later received his Master of Education degree at Western Reserve. During World War II he served as a captain in the Marine Corps. He was severely wounded and was decorated for his heroic action. We were all much saddened by the death of Mr. Malinovsky on July 1, 1959, and will always cherish the memory of this man who gave such invaluable service to our school.

Another year has gone by and another class of seniors is being graduated. The following pages bring to mind many memories which will live forever in our hearts. We have experienced great joy and have even shed a few tears during the past four years; but these encounters of ours have made us into men and women who are prepared to face the world.

We have chosen as the theme of our book this year, the desire to understand all our fellow men, to broaden our horizons, and to clasp the hand of friendship of all peoples. We have endeavored to show that we are but a small percentage of one vast world. Our own knowledge has been greatly augmented, due to the exchange-student program in which Sandusky High has participated for the past two years. This is an excellent example that people of various nations are making a true effort to understand one another. Only through understanding can we create perfect world peace.

Because several of our students and teachers have, at one time, traveled to foreign lands, we have focused a light also on their activities, for they, too, have helped us gain the necessary knowledge so important in our lives today.

As we look back on these pages, in years to come, let us remember our goal and use our knowledge gained in these classrooms as a guide to better ourselves and others. If each of us can spread our understanding to only a few, then certainly a large part of our task shall be accomplished.

It is with this that we extend our best wishes to all the 1960 seniors, and all seniors to follow. It is our hope that when we meet again, we shall have learned to remove all anxious fears of the future and through faith in our fellow men to have gained the brotherhood of man.

Jeanne Barringer and Barbara Little,
Co-editors of 1960 Fram

Seniors

We dedicate this section to the memory of our classmates,
Mary Pat Dolan, Mary McCourt, and Twila Pierce.

Self-reverence, self-knowledge, self control
These three alone lead life to sovereign power.

'60 Class Prophecy

Here it is, June 9, 1970. It's been ten years since I've graduated and seen my old classmates. I wonder where they are. I know. I'll look into my magic crystal ball to see what they all are doing now. Why don't you come along?

There's Main Street, U.S.A. As we enter town, we can't miss the newly constructed medical building which houses the offices of Doctors Parker and Melching. They're assisted by Pat Houser, Mary Jane Stahl, and Janet Lewis, registered nurses. On the lower floor we find Snodgrass' Pharmacy.

Watch out! Let's not cross that street against the light or Policewoman Harbrecht will arrest us.

Here's our Alma Mater. Let's look inside. The school looks the same. There's the lunch bell. I guess things haven't changed! Dave Deringer is still racing to the cafeteria, but this time as a teacher, leading a class of history students.

Now, crystal ball, take us to Hollywood. On the corner of Sunrise and Twig, we find the Palace Theatre owned by Henry Root. Now showing is the hit of the season, "Austrian Love," starring Jackie Mayer. Isn't that music beautiful? I understand that Terry Everson arranged it all.

Since travel is so fast, we can make it to Paris in an hour, just in time to see the fashion previews. All the big retailers from New York will be there. Maybe we can get Patty Horan to tell us what the new styles will be. Oh no, not the square look! Those designers had better see Psychologist Doug Meng and have their heads examined!

There's no prettier place to see than our own Washington, D. C. If President Deanna Weaver isn't busy, we might be able to get her autograph. Deanna, as we all recall, was so inspired by her senior government teacher, Mr. Walker, that she studied political science. Now, she's the first woman president of our country.

Well, it's time to put away our crystal ball for another ten years. Until then, Auf Wiedersehen.

Junior Activities

The Junior Class of 1959-1960 set their goal at $800 this year. Their money-making projects consisted of bake sales, concession stands at the basketball games, and a dance on February 19.

The bake sale that was held on Tuesday, October 20, brought in approximately $50 for the Juniors.

Again this year, the Junior Class ran the concession stands during the basketball games as one of its money-making projects. The results were a big start toward the goal.

The officers, Dick Acierto, president; Bob Tucker, vice-president; Janet Malinovsky, secretary-treasurer; and the advisors of the Junior Class set February 19, 1960, as the date for the Junior Class dance. This was a big occasion on the Junior Class program. The theme of the dance was an Hawaiian luau.

In order to keep the members of the class informed as to the projects coming up and the achievements of the Juniors, various bulletins were distributed throughout the year.

The activities of the Junior Class were a big success. The goal set at $800 was well reached with the participation of the entire Junior Class members.

The sound of the final gun in the Marion game brought about the close of the best football season that Sandusky High has had since the 1955-56 season when the Streaks posted an impressive 7-2 record. Although Marion's powerful Prexies walked off with a 14-6 verdict, the Blue wound up with a 6-3 slate in Coach Wilson's second season here. For the second year in a row the Wilsonmen ended up with a 2-3 record in the Buckeye Conference. All losses were suffered at the hands of co-champions, Lorain, Elyria, and Marion.

Sandusky High School received a distinctive honor in having three boys placed on the UPI's All-Ohio grid team and having two boys receive honorable mention. Tim Ziemke, Ken Clayton, and Dave Voight were selected for the UPI's first team, while junior Dick Acierto and Keith Knauer received honorable mention. These boys were picked not only for their football endeavors but also for their classroom accomplishments.

Further honors came to Sandusky as eight boys were named to the All-Buckeye Conference football team.

With promise for going places in the future, the 1959 sophomore football team brought to an end a very successful season with a six win and no loss record. The team played an exceptionally good game on defense as well as on offense. Mr. Crum and Mr. Kominek, both in their first year at Sandusky High, did a fine job of coaching these boys in team participation. This is the only way a game can be won, as they have proved. The sophomore grid-men were scheduled for seven games but due to too many injuries on the Mansfield team, the seventh game was cancelled. These boys worked hard this year in order to finish the season with a good record.

This year the freshmen finished their football season with a total of two wins and three losses. The freshmen were handed their first loss at Elyria. Their second loss came when they met Fremont. In a home game with Huron, the Tigers proved to be too much for our freshmen as they dropped their third game. After being beaten by Fremont, the Sandusky High freshmen returned home to win over Fremont 32-6. Their last game was at home with Elyria in which the freshmen gained their second victory. As you can see by the statistics, the freshmen started out slowly but wound up the season with great improvement. The head coach this year was Mr. Miller, and Mr. Schlagetter was his assistant.

The Blue Streak Cagers, under Coach Bob Beachy, began the season with two returning lettermen and a few experienced reserves. Lacking outstanding talent, Coach Beachy made frequent use of all the players, which developed good bench strength.

The season's record was 8 wins and 9 losses against some of the best teams in the state. The Streaks suffered a 62-55 setback to Norwalk in the opening round of tournament play. However, we can long remember the tremendous comeback from a 20 point deficit in the third quarter.

All the players came nobly to the cause in the close games, and sportsmanship was exhibited by the individual players and by the team as a whole.

Basketball is a favorite with the student body and a large gathering was always present for home games. The general public, however, did not turn out for these games in the numbers that they did for football, but the fans made up in devotion what they lacked in numbers. The gymnasium at the senior high was fairly well filled for the home games, and when weather permitted, there were good turnouts for most of the out of town games.

Looking ahead to next season the squad will have seven very promising lettermen. This solid nucleus will be Ed Bryant, Dean Earl, Dave Mumau, Bill Poeschl, Dave Porter, Tom Rudolph and Bill Zerbe. Continued improvement by each individual will be the key to a successful season.

Three seniors, Dick Graves, Dave Voight and Bill Wightman, all of whom made significant contributions, will be lost by graduation.

Coach Piper

The Sandusky High School sophomore basketball team finished their season with 4 wins and 13 losses, and the Buckeye Conference results were 2 wins and 8 losses. The necessary desire coupled with a lot of hard work captured the boys, and they continued to improve throughout the season.

Under the able coaching of John Piper, the sophomore basketball team gained much needed experience and knowledge of the game.

Bob Boos led the scoring on both offensive and defensive play followed by Bob Hand, Nelson Camp, Jerry Jenkins, Rol Johnson, Jim Atkinson, Gene Bordine, Dave Amerine, Tom Campbell, Dennis Hine, John Balconi, Stan Chapman. The boys, who shaped up very well during the season, should make a good Sandusky varsity team of the future.

Freshman Basketball Team

Under the guidance of Coach Dean Miller, the frosh compiled an excellent record of nine wins and two losses.

Paul Garrett led the individual scoring race with 106 points for eleven games or a 9.6 per game average. Following closely was Ernie Gast with 103 points or a 9.3 per game average. Stewart Williams, Jim Maloney, and Dave Milne, who rounded out the starting five, finished in order in scoring.

Besides the regular season games, the frosh played the sophomores twice. They split this series, winning one and losing one.

Coach Ernest Horning along with Coach Crum supervised the wrestling team at Sandusky High School. This was the fourth year that wrestling has been offered in the school's athletic program.

All the team members showed great enthusiasm and sportsmanship during the season.

At the district meet in Fremont, the Streaks met very keen and steep competition. They were able to secure a third position for Sandusky High School. Four of Sandusky's matmen, Dean Morey, Dick Galloway, Duane Galloway and Ron Krueger qualified for the state meet in Columbus.

This year the intramural basketball program was supervised by Coach Bob Seaman. The program provided exciting entertainment for the boys who did not participate in any winter sports.

The sport was divided into two divisions, the junior-senior division and the freshman-sophomore division. After playing a play-off game with the Volcanoes, because of a tie, the Blitzkriegs pulled through with a smashing defeat and won the junior-senior division. The Falcons won the lower class division with the Madmen as runners up.

Not pictured: Ass't. Coach Mears.

Due to the fact that the Sandusky High Swimming Team had 7 returning lettermen from the 1958-59 season, they posted a record of 4 wins and 4 losses.

At the high school relays at Bowling Green the tankers finished fourth out of six schools entered. Northwestern District Championship told a different story though. In this match Sandusky took a first over Lima Senior who had won both dual meets during the regular season. The Sandusky mermen did O.K. at the State Championships at Ohio State University also. The team placed an impressive eighth out of forty schools entered.

The top point winner for this season was Dave Scott with 139 and Tom Kessler was second with 127. These boys are both juniors, so the season looks pretty good for next year.

Senior lettermen Mike Bennett, Doug Meng, John Krebs, and Tim Ziemke will be lost by graduation.

Tennis and Golf

The Sandusky High School tennis team, coached by Lou Koloze, had an outstanding record last year, and they will try to compile another enviable season this spring.

For the first time in Sandusky High School history we were represented by a doubles team at the Ohio State tennis meet. Norm Dickman and Tim Ziemke battled their way through strong opposition at the Bowling Green Districts. In their first two matches they defeated the Buckeye Conference foes from Fremont and Marion. They turned back Ottawa Hill's Dick Fassler and Paul Schnittker in the quarter finals. Then against the top-seeded Toledo DeVilbiss duo they were edged out 6-4. Since only three victories were needed to qualify, the lone defeat did not count against them, and they qualified for the State meet at Columbus.

Sandusky's tennis season looks promising this spring with the return of the lettermen: Fred Bonsack, Bill Quick, Gerry Braun and Tim Ziemke.

Row 1: Gerry Braun, Bill Quick. **Row 2:** Fred Bonsack, Coach Koloze, Tim Ziemke.

The year of 1959 turned out to be a prosperous one for the Sandusky Blue Streak Golf team.

After a shaky beginning, Coach Kent's swingers settled down and played good golf.

The "59" varsity team was narrowed down to a group of twelve upperclassmen.

The Blue Streak golfers had to settle for a third place finish at the district meet, but they copped the Buckeye Conference title and halted Mansfield's two year victory streak at 18. This year was Mr. Kent's first and last year of coaching the squad.

Letter winners who graduated in '59 and who will be sorely missed are David Arheit, Bill Smith, Denny Marquart, Dennis Ordway, and Jim Groscost. Junior letterman Lowell Fritz has moved to Georgia and will be unavailable for '60 play. The new golf coach, John Piper, faces a rebuilding season.

Girls' Sports

Intramural bowling for girls, which is an extracurricular activity, took place every Tuesday night after school at Cedar Lanes. Each team elected its own team captain. The average score was 120.

Of the twelve teams who began the season, the teams still participating at the end of the season received bowling medals.

A girls' intramural tennis program was established at Sandusky High School for the first time this year. Sixty girls were present at each of the first two practices at which basic fundamentals were reviewed. Then the girls organized teams for competition one night a week. The program was very successful and will continue to be offered each spring if there is sufficient interest.

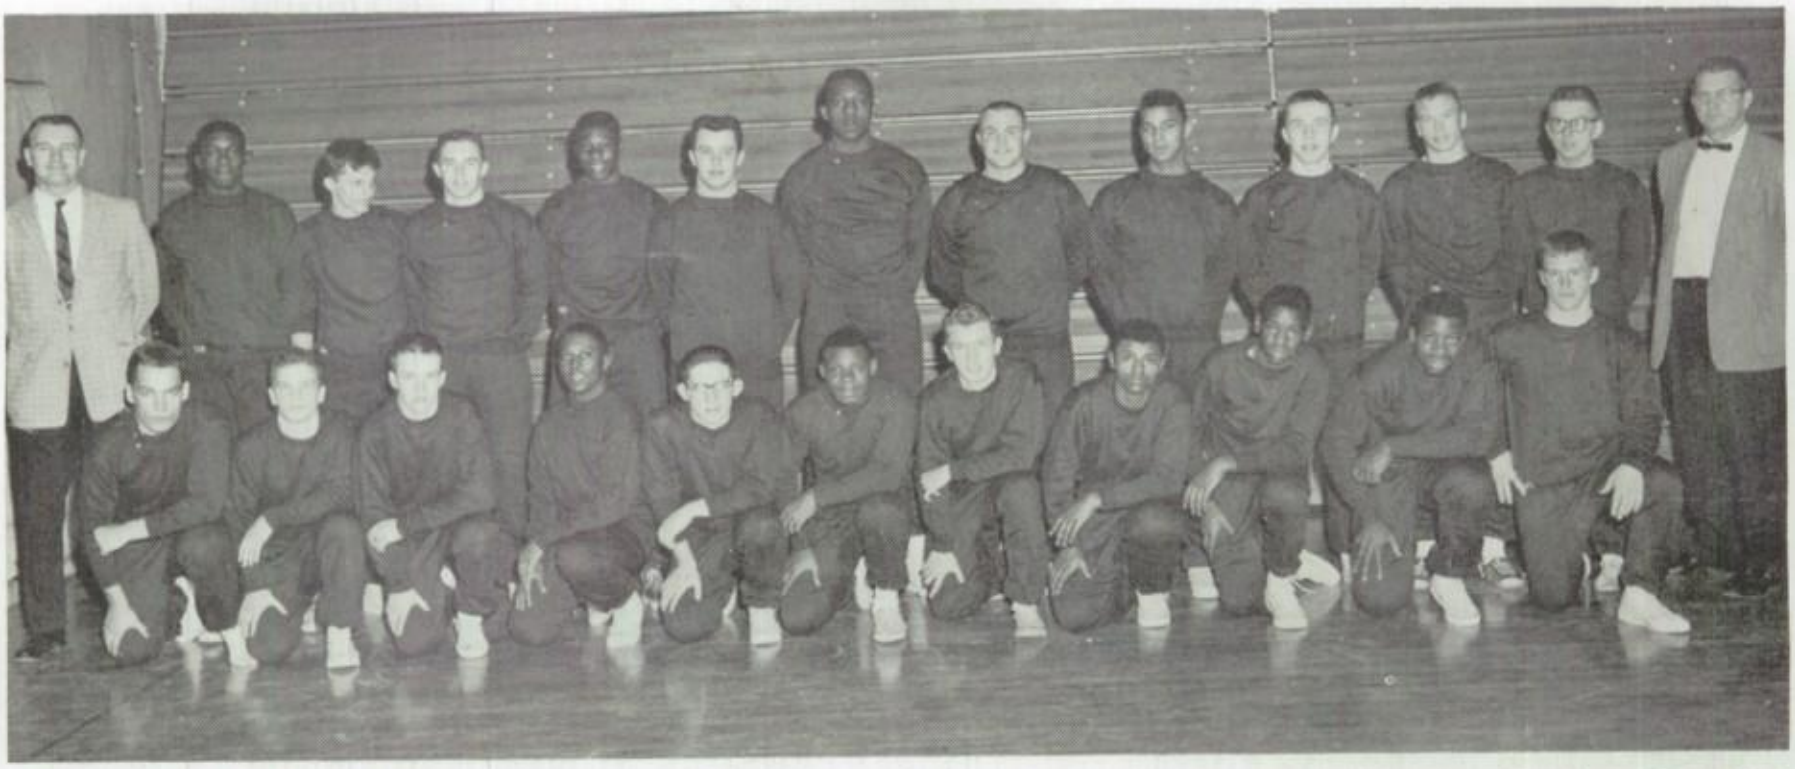
Along with tennis, a girls' golf league was also formed for the first time this year. Approximately thirty girls participated in this program. Lessons were given to the girls on Monday nights, and the actual playing was done on the various other nights at Mills Creek Golf Course. At first, individual games were played, but later in May a tournament was held. The girls were under the direction of Miss Joyce Bouy.

Row 1: Aline Neidhart, Faye Martin, Becky Aust, Kathy Simonds, Barbara L. Koch. **Row 2:** Miss Moncur, Linda Loe, Sandy Welty, Ann Watts, Nedra Angus.

Girls' Gym Aides

The girls' gym aides are a vital part of the physical education classes. These girls, freshmen through seniors, help with the various tasks of the instructor. Some of their jobs include taking attendance, issuing towels, running errands, and giving demonstrations. By doing these things, the girls are able not only to relieve the instructor of her heavy load, but also to gain valuable experience for themselves.

Track



Row 1: Duane Knauer, Jim Palmer, Tom Petersen, Ron Craig, Gary Balconi, Otis Grissom, Ralph Perla, Paul Garrett, John Woods, Stuart Williams, Dave Amerine. **Row 2:** Coach Bob Seaman, Ben Espy, Jerry Jenkins, Duane Galloway, Judge Scruggs, Dick Acierto, Dean Earl, Frank Elmer, McRay Smith, Ken Nagel, Steve Cronenwett, Ron Mischler, Head Coach John Tabler.

The 1959 track squad under the able coaching of John Tabler ended their season with a record of 4 wins and 2 losses. The team placed second at the Buckeye Conference meet.

Ernie Delanie set a new school record of 15 seconds flat in the 120 high hurdles, and in the 180 low hurdles of 20.3 seconds. Ray Young also set a record in the broad jump of 21′ 4″ at the Marion night relays.

The outlook is fine for this year with Ben Espy, Dave Scott, and Ron Craig in the 100-200 sprints; Tom Petersen in the mile and the 880; with Dave Scott and Dean Earl in the shot-put and discus.

Managers: Si Green, Ernie Delanie.

Cross Country Team

Row 1: R. Barnhart, B. Quick, S. Cronenwett, T. Petersen, R. Mischler, J. Woods. **Row 2:** Coach L. Koloze, J. Bertschi, F. Woods, R. Collier, R. Perla, D. Earl, B. Disbrow, J. Palmer.

The Sandusky High School cross country team under the fine direction of Coach Lou Koloze ended this season with a record of one to seven.

Coach Koloze's cross country team finished their season at the district meet after coming through with their first and only win of the season at Fremont 22-33. They went to Lima where they finished thirteenth of twenty-six schools. Tom Petersen placed eighth out of one hundred fifty runners in the district meet at Lima.

During the regular season, Tom Petersen broke seven records. Since the team had only an eight meet schedule, it meant that he broke a record in every meet except one, failing only in the Attica encounter. His best time of year was a 10:02, an excellent record for a two mile course.

The cross country team may have lost in competition, but they have gained in spirit and considerable experience. Next year should prove more interesting as the sport picks up more momentum in Sandusky.

The varsity squad, composed of six members, was Sandy Meyers, captain and senior; Esther Gill, senior; Adgate Gay, senior; Judy Grimani, junior; Nancy Kriegler, junior; and Lynn Tanchon, sophomore. These girls were responsible for pep rallies, game announcements, pep club, game signs, and school spirit. They were also honorary members of Varsity "S" Club. The reserve squad was composed of four girls: Marilyn Manson, captain and senior; Carol Riccelli, senior; Anne Hampe, junior; and Karen Harrison, junior. They were responsible for freshman pep club and reserve games. Both squads were under the very capable supervision of Miss Shirley Moncur, who patiently observed and advised the girls.

The sales tax stamp drive conducted by the Council furnishes money for the needs of the school. The Unified Drive, carried on during the spring, is our service to the community.

In addition, the organization operated a refreshment stand during football season. The cheerleaders and the disc jockeys are also chosen by the Student Council.

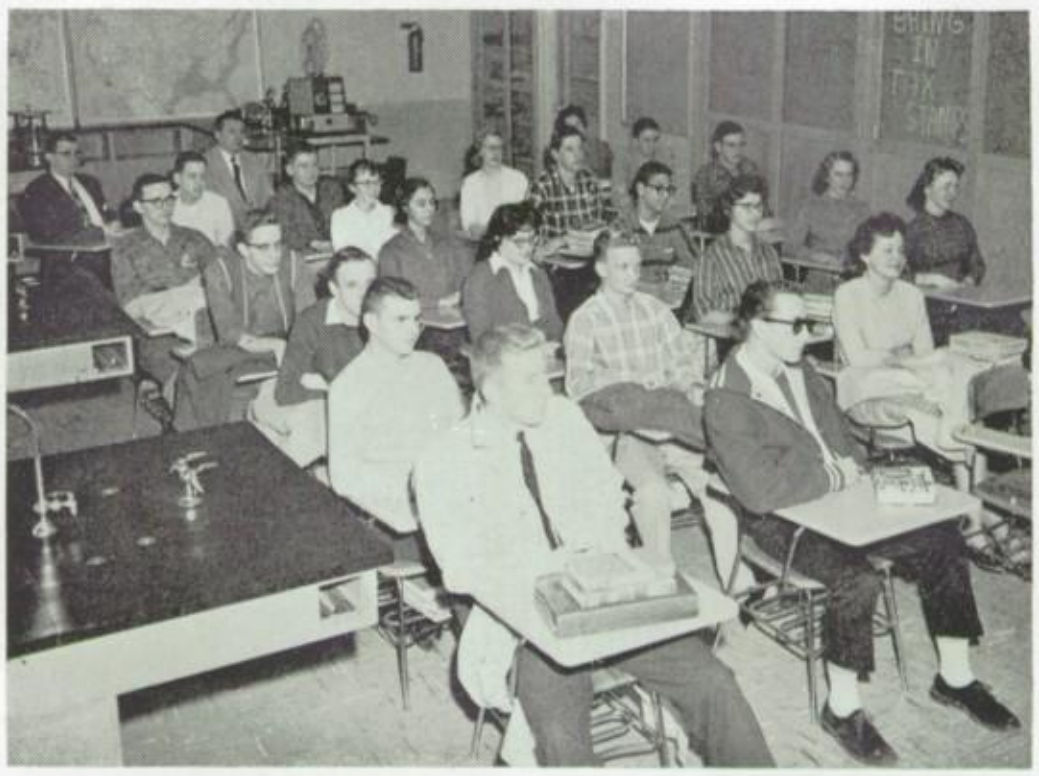
Chemistry - - Physics Club

Bill Springer, president; Jim Heiberger, vice-president; Barbara A. Koch, secretary-treasurer.



Any student taking or having taken chemistry or physics is eligible to belong to the Chemistry-Physics Club. The group meets with Mr. Speir, Mr. Schneider, and Mr. Brown the last Tuesday of each month. The purpose of the club is to stimulate and keep interest in the field of science. This group will decide whether Sandusky will have a science exhibit in the future.

Chess Players

Again this year as in the previous two years, a group of boys has met once a week to play chess. This group is known as the Chess Players although it is not a formally organized club. There are no officers. Mr. Carver is the sponsor of the group.

The main event of the year was the school chess tournament. The fourteen boys who comprise the club played each other to determine Sandusky High's top chessman.

College Club

Interested in college? Then the College Club is for you. Any junior or senior is welcome to attend these meetings held every other Monday after school.

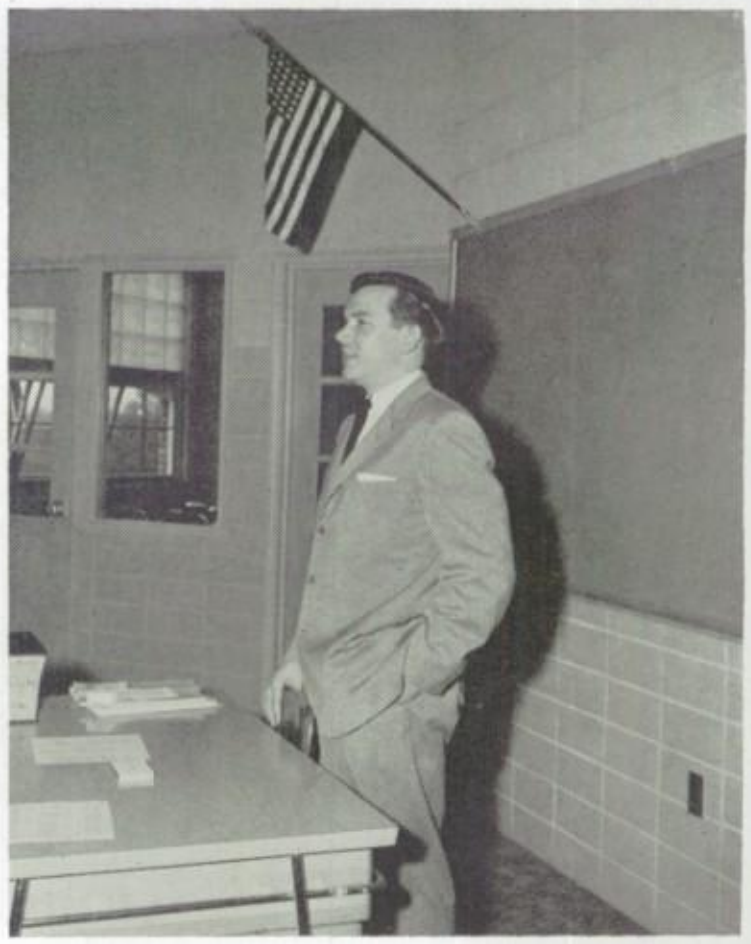
This is a club organized to give the students a better picture of life on the campus. Representatives from various colleges and universities visit the club and the school, presenting information of interest concerning their respective schools.

The club is under the advisorship of Miss Lehman, the college counselor. Students may go to Miss Lehman for further help in regard to contacting colleges for scholarship tests, entrance examinations, and available scholarships.

The Student Council representative from the club was Barbara Koch.

Betty Voight, secretary-treasurer; Jake Larimer, president; Chuck Robinson, vice-president.

Mr. James Reed of Mt. Union College.



Commercial Club

The purpose of the Commercial Club is to acquaint the future commercial workers with the business opportunities available to them in Sandusky and in the surrounding area. The club also helps future workers to best prepare themselves for their particular business field.

To accomplish these purposes, the club has business men from the various offices come and speak to the members. One of these speakers was Mr. Robinson from the employment agency. The highlight of the year was a field trip to one of the bigger offices in Sandusky. This year the club went to the American Crayon Company.

To be eligible for this club, one must be a junior or senior and be taking a course in the commercial department.

The officers for this year were: president, Mary Anne Bluhm; vice-president, Linda Cole; secretary-treasurer, Michele Zimmerman; assistant secretary-treasurer, Janice Arheit; and Student Council representative, Betty Gysan and alternate Student Council representative Sue Moore.

Club sponsors were Miss Scott, Mrs. Miller, Mrs. Bowman, Mr. Kuldau, Miss Hankish, and Mr. Horning.

Dramatics Club

This active club provides entertainment and an opportunity for its members to show their acting ability. The president, Sharon Flint, has proved to be more than worthy of her job by keeping the club active and interesting for all its members.

One of its activities was the traditional Thanksgiving play called "Inner Willy" given to and enjoyed by the entire student body.

In addition there were numerous one-act plays given for the sole benefit of its members.

This year the club went to Cleveland to see the "Thurber Carnival" on January 28. Of course, it was enjoyed by all who went.

Each year the Dramatics Club does something to uphold its name and standing. This year the members voted unanimously to donate a gift to the Harlequins for their services to the community and for services rendered to the club.

The annual initiation of the new members proved to be an interesting and hilarious event.

The club officers were president, Sharon Flint; vice-president, Henry Root; secretary, Kay Joseph; and treasurer, Adele Harrison.

This year they again sponsored the "Pigskin Parade." As an added attraction for the 59-60 season, the boys elected a queen. The club was also in charge of the check room for the tournament games and donated the money to aid the Hi-Lites.

It is under the very capable direction of the coaches and Mr. John Tabler.

Future Nurses' Club

This club is of great value to all Sandusky High School girls who are interested in the nursing profession and other related health careers. The objectives of the club are to inform the girls on some fundamentals of nursing and to advise them in regard to the schools where they may prepare for a health career.

The club, which is open to girls of all grades, holds its meetings on the first Tuesday of every month. The Future Nurses' Club is under the capable sponsorship of Mrs. Winkler and Miss Witter, the school nurses, and Miss Rentsch. Marsha Collumb was the Student Council representative.

A variety of activities is enjoyed by the members. For example, they make trips to the local hospitals and the School of Practical Nursing. Many interesting programs are presented by persons from the medical field. Special events scheduled for this year included a tea for the mothers of the members and a picnic.

A number of girls have gained valuable experience by volunteering to serve as nurse's aides in the sickroom.

Home Economics Club

The Home Economics Club, which meets the second and fourth Monday of each month, has had a very active year. They started off with their traditional formal and informal initiation in the fall. The football season was soon upon them and they were kept quite busy planning and supervising a concession stand at the home games. Their Christmas party being a success, the girls settled down to some service projects. First on the agenda were Valentine cookies made by the girls for the children in the hospitals.

Officers for this year were Beverly Lavine, president; Mary Lawrence, vice-president; Nora Kimes, secretary; Karen Lentz, treasurer. The sponsors were Mrs. Tom, Mrs. Neill, and Mrs. Abell.

International Club

The International Club is one of the largest clubs in Sandusky High School, consisting of approximately 200 members. The club had many projects this past year. Before Christmas vacation they sold Christmas cards and American Field Service Cookbooks. Their annual Christmas party, given by the French department, was a huge success, as was their annual spring carnival.

With the help of the American Field Service program, two seniors, Jacquelyn Mayer and Jane Gosser, visited Austria. Jane spent the summer at Fohnsdorf, Steiermark, Austria. Jackie attended high school at Kapfenburg, Styria, Austria, for the first half of her senior year. We have also been privileged this year to have with us Annie Terrier, an exchange student from Tours, France.

During the year programs were presented by each department at the regular meetings of the club.

Sponsors for the club were Miss Blackwell, Mrs. Scheufler, Mrs. Schubel and Miss Leighton.

Any student who is now taking or has taken a foreign language is eligible to join the club.

Kiwi Flyers

The Kiwi Flyers is a high school organization open to any high school student interested in building airplanes or model boats. The basic principles, the importance, and safety of flying and boating are studied. This is accomplished by the use of films, demonstrations, and lectures by well-informed speakers.

The members built model airplanes and boats which they took to hobby shows and exhibits. Mr. Clark was the sponsor of the Kiwi Flyers.

Row 1: Eric Jensen, secretary; Bruce Gregory, treasurer. **Row 2:** Earl Gysan, president; Richard Walborn, vice-president.

Forum Club

If you feel you have no particular ability for public speaking, perhaps the Forum Club can help you. Members—sophomores, juniors, and seniors—meet under the guidance of their officers, Jon Bertschi, Jim Ebert, Deanna Weaver, and Mr. Carver, the sponsor. They are called upon for impromptu speeches and participation in debates on such topics as capital punishment. The highlight of the year was a visit from the Oberlin Debating Team.

The 36 select members of Swan Club under the direction of Candy Routh, assisted by Janet Malinovsky, portrayed to the audience the spirits of the four seasons. Starring in the solos were Candy Routh and Sandy Meyers.

As a new feature, the Reserve Swans having eleven members, contributed a number of their own. They substituted for the girls who were ill at the time of the production or for those who were unable to attend practices.

Each girl received an award at the end of the year. These awards differed according to the number of years in which she had been a Swan. The Reserve Club which is not yet a permanent arrangement will receive some award of distinction.

The officers of the club were president, Sandy Meyers; vice-president, Barbara Meyers; secretary, Adgate Gay; treasurer, Jane Gosser. Club managers were Donna Samaritoni and Karen Sue Olson. The Swan Club sponsors are Miss Joyce Bouy and Miss Shirley Moncur.

Choir

Under the able direction of Harold Kaufman, the A Cappella Choir brought the Christmas spirit into the hearts of many with its annual inspiring concert. The choir was again honored with the privilege of presenting a program on the Mutual Network.

The choir sang for various functions during the year and made a radio recording. The organization, along with the other music classes, presented "The Seven Last Words".

Jon Bertschi was the Student Council representative.

The Keynotes is the "pop" musical organization of Sandusky High School. The group, composed of twenty vocalists and a group of select band members, appeared in the annual talent show and performed for social functions in the area.

The Keynote vocalists, as well as the Octette members, are chosen from the choir.

Band

This year found the 93 piece Sandusky High Band busy with many activities. Under Mr. Edward Albert's direction, the group participated in concerts, parades, the Music and Art Festival, and football and basketball games.

The band was well rewarded for its strenuous practice week when it was invited to play for the Cleveland Browns' game on November 22. The half-time show which was presented was favorably commented on by television and radio announcers.

In December, a smaller "pep band" was formed to play for the home basketball games.

At the head of the list for winter activities were concerts. The annual paid concert, which was given in February, was deemed a huge success by all who saw it. In March, the band combined with the Junior High bands to present another enjoyable afternoon of music. To round out the year, the group traveled to Elyria to join in the Buckeye Conference Band Festival.

Leading the marching band is sophomore drum major Ronnie Craig, who is known throughout the area for his exceptional twirling ability. Senior Micki Johnston is head majorette, while seniors Robin McBroom, Jean Bly, Janet Lewis, and freshman Jane Link round out this high-stepping corps.

In the spring the SHS Band and Sandusky Band Parents' Club united to sponsor the United States Air Force Band in an exciting and interesting program in the Jackson Junior High auditorium.

This year was the first for the presentation of the John Philip Sousa Award for the outstanding senior band member. Musical ability, personality, willingness to cooperate, scholastic achievement, and other things were considered by band members, directors, and the Band Parents' Club before the vote was taken. Terry Everson was awarded the honor and received a pin and certificate. His name was also inscribed on a handsome plaque.

Last, but certainly not least, are Mr. Albert's able assistants, Mr. John Aldrich and Mr. Richard Speir. Without their aid, the band could not continue to keep its high caliber of perfection. Their help is especially appreciated during marching season when they brave the elements to work out the formations from the top of the stadium.

The Dance Band, under Mr. Speir's direction, consists of 20 members. The group plays for school dances and after basketball games. With practice once a week, this is an extra-curricular activity for the members. The Key-Note Band is chosen from this group.

The co-editors of the 1960 Fram were Jeanne Barringer and Barbara Little who have spent many hours since last September planning and assembling it. They organized five staffs and appointed staff editors to assist them.

The editorial staff, headed by Barbara Ann Koch, promptly got to work to secure information for the various articles. The biography staff, with editors Karen and Carol Holzhauser, worked hard to get the information about the seniors in correct form. Louise Wilson and her make-up staff arranged the pictures of the year's events. The art staff and staff editor, Adele Harrison, added their artistic touches as the work of the annual progressed. While all this was going on, the advertising staff with editor Aline Neidhart was downtown and elsewhere selling advertisements. There can never be deep peace between two spirits, never mutual respect, until, in their dialogue, each stands for the whole world.

Letter from Jan

Sandusky High's first exchange student, Jan Said, who attended Sandusky High School for the school year of 1958-59, is now enrolled in a university in his native land of Indonesia. In his various letters, he has told of his interesting experiences since leaving Sandusky. The following are excerpts from two of his letters:

August 23, 1959

. . . . . It has been almost two months since I left Sandusky and almost a month since I arrived in my own country. I arrived on the second of August after flying from New York, Minneapolis, Anchorage, Alaska, Tokyo, Manila, and Singapore . . . . . I have not been to my home town yet, but I am living with my brother in Djakarta . . . . . I have tried to enroll at the University in medicine. I had college board two days ago. I was tested in chemistry, physics, and biology. It was very hard after not having had those subjects for three years . . . . . Last Friday night, there was a farewell party for four American exchange students, three girls and a boy. They were in my country for two and a half months. At the party the students wore Indonesian dress, "kebaja" for the girls and a sarong and sandals for the boy. They gave short speeches in my language, which they had learned in just two months . . . . . I wish an exchange student from Sandusky High could come to Indonesia. I would like that very much . . . . . Is it still so warm in Sandusky, or is it warmer? We haven't had any rain for two months! . . . . . I want to thank everyone in Sandusky for everything he did for me while I was there . . . . .

October 18, 1959

. . . . . I am now studying at the Bandung University of Technology in Bandung. At last I am going to college after a hard struggle. The freshman number about 2000 students. The lectures started in the middle of September. I was about three weeks late. It isn't so hard because I'm so happy, and I am studying hard for all I'm behind. I have to review many subjects that I have not studied for a year. I'm quite busy every day with my books! . . . . . As of now, I still haven't been in my home town to see my parents. I haven't had a good chance to go even though we long for each other very much. Oh, well, maybe next year when I get a long vacation . . . . . It's very nice to meet old friends, even if they are a year ahead of me. Every time we meet I have a long talk about America, Sandusky, and especially Sandusky High. They just love to hear about it. Well, I have had more experiences than they even though I am a year behind in school . . . . . I'm glad to hear the International Club is coming along all right . . . . . I would like to hear from any students from Sandusky High School. I like to hear about Sandusky and Sandusky High very much.

Sincerely,

Jan Said

Austrian Impressions

Thinking back over my Austrian summer, I recall many scenes of mountain climbing in the beautiful Austrian Alps, bicycle trips, wine gardens, busy Viennese streets and quiet country dorfs, cows swinging down the main street clanging their bells and chickens clucking in vegetable gardens. I also recall noisy, dirty coal factories, picturesque castles hanging on the side of a mountain and quaint Tyrolean homes surrounded by the yellow and green patch-worked fields. All throughout the entire country side are vivid, deep, rich colors of green forests and snow-capped mountains against a blue sky, red and yellow Byzantine church towers rising above the multi-colored roofs of a country dorf. The gay colors of a busy city with its flower carts, statues, parks, cars, stores and people presented a pictorial vista of city life.

Most colorful of all are the Austrian people. It is they who supply their countryside with its vitality, beauty, and richness. Because they are industrious, hard-working people, we can see an entirely new Austria rebuilt out of total destruction. The Austrians are happy, gay, easy-going people who thoroughly enjoy singing, dancing, attending operas, mountain climbing and skiing. They are people who are easily known and liked because of their genuine hospitality. Never did I feel like a foreigner in their homes. Instead I was instantly a part of the home and was greeted and taken care of as an old friend.

In closing I should like to thank all the students and adults who made possible my stay in such a beautiful country among such lovely people.

Mademoiselle from Paree

When I first heard I was going to the United States, it seemed like a dream. America is such a wonderful word for a French teen-ager; I was lucky. I was going to have the opportunity of spending one year in the United States. I think I was a little afraid because the United States is so huge, and it is so far from home. I did not know much about the American way of life. When I thought of the United States, I thought of teen-agers who are very free; I thought of the high standards of living of the American people. Now I am in the United States. How do I like the United States?

I have been asked this question several times. Although our ways of life are quite different, I like the United States as much as I like France. It is impossible to write on one page all the differences between our countries, but I should like to tell you some of them. I have been surprised that here the schools are co-educational, that the students can choose the subjects they want, that all the seniors have to study government, that the students don't have to stand up when a teacher enters the classroom, and that the girls wear lipstick when they are fourteen years old. The American teen-agers are still more free than I thought they were. In France, and I think all over Europe, there is more of a family life. There are not as many extra curricular activities as here. These are some of the differences between our countries.

This year there are 1524 students who have been chosen by the American Field Service. I am one of them. I am proud to be one of them. It is an experience that I shall always remember. I hope that some of you who are now reading this will have the opportunity to go to Europe and understand what I mean when I say that it is a wonderful experience to be an exchange student.

You have all helped me to be happy here. I should like to thank you very much for what you have done for me.

Schule im Österreich

I was privileged this past winter to have an experience which I wish could have been shared by each one of my fellow classmates. I had the great honor of representing my school and country as an American exchange student in Austria. Embarking from Montreal on the M. S. Seven Seas on August 26, I made a host of friends among the seventy American Field Service students. There were six of us girls who traveled together by train from Rotterdam to Graz where we parted—each to her new home.

A most wonderful family, Dr. and Mrs. Bruno Sitka and their two daughters, Helga and Irmi, welcomed me as one of their own. Living on the third floor of the hospital, we could look out over the small city of Kapfenberg, founded during the twelfth century. Like most Austrian cities, it is dominated by an old castle once owned by the local land owner, the Earl of Stubenberg. With the passage of many hundreds of years and the discovery of iron in the mountains, Kapfenberg has become a thriving industrial city now centered around the Bohler Steel Factory.

Arising every morning Monday through Friday at 6:30, I caught the bus to Bruck, a nearby town, where I attended the seventh class (equivalent to the eleventh grade) at the Realgymnasium. School, which lasted from 8:00 a.m. to 1:45 p.m., was a very serious occupation—no clubs, outside activities, or "fun" classes. Class time was for college type lectures and all studying was done outside of school. My courses included Latin V, French III, English VII, German literature, philosophy, religion, geography, history, biology, chemistry, physics and art.

I found my Austrian classmates to be less artificial and more natural than American teen-agers. In outward appearance they are very similar to us, except less clothes conscious. Austrian teen-agers are not interested in spectator sports but would rather participate in walking, bicycling, skiing, and skating. One of the biggest dances of the year is the "Krampus Krenzchen" which is sponsored by the eighth class in order to raise money for their graduation trip. This is attended by the seventh and eighth class students as well as the parents.

I was very fortunate in living with a family who was interested in music, theater, and traveling. Because of them I gained a much wider knowledge of the Austrian people, country, and culture. My heartfelt thanks to each of you who made this wonderful experience possible.

Jim Brinker

An African Safari

On July 10, 1959, Jim Brinker started on a wonderful adventure. He began a voyage on the Brigantine Albatross, a ninety-two foot steel vessel. The crew consisted of seventeen boys and six girls averaging in age from eighteen to thirty-five. Some of the places to which they sailed are Lisbon, Tangier, Monaco, Naples, Rome, Venice, and the Suez Canal. The following is an excerpt from Jim's letter which described his Safari:

"On November 18th we left on our Safari. We flew to Amsha, a city a few hundred miles inland, to meet our White Hunters. These White Hunters are really true men to the fullest degree. They gave us the feeling of complete safety, and, believe me, that's a good feeling to have when around big game which are all very dangerous.

Our Safari consisted of three days at the Ngorongoro Crater and the Serengeti Plains and three days at Lake Monyara where there is a large game reserve. At the Crater, we saw elephants, buffalo, rhino, hippo, and cheata, plus all the plain game.

It is hard to picture a Safari camp. It is far out of the ordinary camp and comforts are unbelievable. There's excellent food and we are treated like kings.

One day we came upon a sleeping buffalo. This proved interesting as well as exciting. We circled him twice in the jeep when all of a sudden he woke up. He looked around for a moment and then charged right smack at me. I had the movie camera going until he got about five yards away, and then I started, for I didn't want anything to do with a beast like that. I also got some wonderful shots of some lions. We were within ten feet of fourteen of them. They weren't tame ones, either.

The only men that lions are really afraid of are the Masai. I tried to get a picture of them but for some reason they objected. I wasn't about to stir up any hard feelings with them. On our way back—after dark—we came upon two hundred eyes looking at us and, as you might guess, more buffalo. It didn't take us long to get out of there. When I got back to the camp, my nerves were a little on edge. I had had enough excitement for six days.

When we got back to the ship we finally had peace and quiet for a few days!

All good things must come to an end. Tomorrow, December fourth, we set sail again for Durban, South Africa. We hope to be there for New Year's."

Jim Brinker

The Cafeteria

The most popular spot in the school with both students and faculty was the cafeteria. Here, the all important inner man was satisfied as 20 cooks served between 1050 and 1150 lunches each day. For thirty-five cents every student could have a scientifically well-balanced diet. In addition to the regular meal there was an "a la carte" service which catered to a great many more.

The head cook this year was Mrs. Tucker. Our thanks go to her and all the cooks who worked under her to satisfy the students.

Ray's Studio

We came to the halls of ivy in 1956—our first year of high school. Exciting pictures were made, memories of our last year in the old building.

In our sophomore year we entered the new school with the "key" opening the door onto a whole new world of pictures.

Then we were juniors still going forward in pictures and story, treasuring our memories more and more as the days went by.

Now at last our dream has come true. We are seniors as we pass out our own "portraits" to our classmates and many friends. It has been a long, long journey through the halls of SHS. It is the end of one way of life and the beginning of another, but the entire story of our school days remains fresh forever in the pages of *The Fram,* a portrait of our high school days.
